This information is based on our knowledge of the product at the time of publication of this statement. As TANATEX Chemicals B.V. is only the producer of the chemical auxiliaries, it remains the responsibility of the user to assess the final textile product.

Tanatex Chemicals is a global chemical company who is able to supply chemicals to all worldwide regions.  
Your global primary point of contact is Mr Ged Doyle (Global Brand & Retail Manger, [ged.doyle@tanatexchemicals.com](mailto:ged.doyle@tanatexchemicals.com)) who is responsible for global coordination of all your enquiries.

We trust this information will be sufficient. If you have any further questions, please do not hesitate to contact us.

Kind regards,  
TANATEX Chemicals B.V.
